Entered Through Window

Wine, Beer and $313 Cash Missing in Cafe Break-In

Cash totalling $313 and a quantity of wine and beer were stolen during the week-end in a break-in at Brand's Restaurant, 1009 Government.

The break-in was reported to city police at 5.55 a.m. yesterday by an early-arriving employee. Police found entry was gained through a window broken in the women's wash-room.

Of the money, $253 was stolen from the cash register, and $60 in change taken from a shelf nearby.

Thieves also broke into a storeroom containing liquor, and stole a half-quart each of tawny and white wine, three gallons of sherry, two bottles of champagne and four dozen bottles of beer.

A steel cashbox, some papers and ledgers are also missing.

Police also found wire mesh torn from a window in an adjoining building and access gained to the Picadilly Shoppe, 1017 Government.

Nothing was reported stolen, but a box containing a number of articles of apparel from the shop was found by police.

Baby-Sitters' School Graduates First 40

Forty Colwood youngsters proudly took home graduation certificates last night on completion of a five-week course in the duties and responsibilities of baby-sitting.

The youngsters, 11 to 16 years old, passed final examinations with marks of at least 60 per cent.

"The course was so successful we are planning a second one to start next Monday," said Fire Chief Richard Emery, organizer of the course and chief instructor. Thirty youngsters have already signed up.

Each Monday in the Colwood fire hall student baby-sitters have been receiving instruction on fire safety, care of babies, and how to cope with most common emergencies.

Final exams were written last week.

Each member was given a registration card showing his or her competence for baby-sitting duty in the Colwood and Langford area.
